

Papers in refereed publications

- "Maintaining mountain biodiversity in an era of climate change" in Borsdorf, A, J. Stötter and E. Veulliet (eds.) *Managing Alpine Future. Proceedings of International Conference October 15-17, 2007.* Austrian Academy of Sciences Press, Vienna: 17-33. 2008.
- "The call of different wilds: the importance of definition and perception in protecting and managing Scottish wild landscapes" (with R. McMorran and C.R. Warren). *Journal of Environmental Planning and Management.* 51: 177-199. 2008.
- "Representing mountains: From local and national to global common good" (with B. Debarbieux). *Geopolitics* 13: 148-168. 2008.
- "Integrated futures for Europe's mountain regions: reconciling biodiversity conservation and human livelihoods" (with J. Mitchley and J. Tzanopoulos). *Journal of Mountain Science* 3: 276-286. 2006.
- "Mountain systems" (Lead Author; Coordinating Lead Authors: C. Koerner and M. Ohsawa). Chapter 24 In R. Hassan et al. (eds.) *Ecosystems and Human Well-being: Current State and Trends, Volume 1*, Island Press, Washington DC: 681-716. 2005.
- "The International Year of Mountains, 2002: Progress and prospects" (with T. Hofer). In Thompson, D.B.A., Price M.F. and C.A. Galbraith (eds) *The Mountains of Northern Europe: Conservation, Management, People and Nature.* The Stationery Office, Edinburgh: 11-22. 2005
- "Looking forward from Pitlochry in the International Year of Mountains" (with C.A. Galbraith). In Thompson, D.B.A., Price M.F. and C.A. Galbraith (eds) *The Mountains of Northern Europe: Conservation, Management, People and Nature.* The Stationery Office, Edinburgh: 379-380. 2005
- "Forests in sustainable mountain development". In Huber U.M., Bugmann H.K.M. and Reasoner, M.A. (eds.) *Global Change and Mountain Regions: An Overview of Current Knowledge.* Springer, Dordrecht: 521-529. 2005.
- "Conserving biodiversity in mountain areas: Addressing the challenges of climate change." In *Proceedings of a Global Synthesis Workshop held at the World Conservation Forum on Biodiversity Loss and Species Extinctions: Managing Risk in a Changing World (CD).* IUCN, Gland. 2005.
- "La delimitation des montagnes européennes/Delineating Europe's mountains" (with I. Lysenko and E. Gloersen). *Revue de Geographie Alpine/Journal of Alpine Research* 92(2): 61-86. 2004.
- "Designing strategies to increase the resilience of alpine/montane systems to climate change" (with G.R. Neville). In Hansen, L., J. Biringer and J. Hoffman (eds.) *Buying Time: A User's Manual for Building Resistance and Resilience to Climate Change in Natural Systems.* WWF International, Gland: 73-94. 2003.
- "Mountain geography: A review" (with D.C. Funnell) *Geographical Journal* 169: 183-190. 2003.
- "Why mountain forests are important". *Forestry Chronicle* 79(2): 219-222. 2003.
- "Sustainable mountain development in Europe" In A. Mather and J. Bryden (eds) *Regional Sustainable Development Review: Europe, Encyclopedia of Life-Support Systems*, Eolss Publishers, Oxford, UK [<http://www.eolss.net>], 2003.
- "Fostering sustainable mountain development: From Rio to the International Year of Mountains, and beyond" (with B. Messerli). *Unasylva* 208: 6-17. 2002.
- "The Periodic Review of Biosphere Reserves: A mechanism to foster sites of excellence for conservation and sustainable development". *Environmental Science and Policy* 5(1): 13-19. 2002.

- "Mountains". In A.S. Goudie (ed.), *Encyclopedia of Global Change: Environmental Change and Human Society*, vol. 2. Oxford University Press: 112-115. 2001.
- "Priorities for sustainable mountain development in Europe" (with E-G. Kim). *International Journal of Sustainable Development and World Ecology* 6: 203-219. 1999.
- "Towards cooperation across mountain frontiers: The Alpine Convention". *European Environment* 9(3): 83-89. 1999.
- "Sustainable mountain development: the roles of forests". In M.J. Haigh, J. Krecek, G.S. Rajwar and M.P. Kilmartin (eds.), *Headwaters: Water Resources and Soil Conservation*. A.A.Balkema, Rotterdam: 443-450. 1998.
- "The complex life: human land uses in mountain ecosystems" (with M. Thompson). *Global Ecology and Biogeography Letters* 6: 77-90. 1997.
- "UNESCO's Man and the Biosphere (MAB) programme in the mountains of Central and Eastern Europe: Past experiences and future possibilities". *Silva Gabreta* 1: 285-294. 1997.
- "People in biosphere reserves: an evolving concept". *Society and Natural Resources* 9: 645-654. 1996.
- "The reality of implementing an international convention: national greenhouse gas inventories in developing countries". *Global Environmental Change: Human and Policy Dimensions* 6(3): 193-203. 1996.
- "Impacts of climate change on mountain regions" (Principal Lead Author; Convening Lead Authors: M. Beniston and D.G. Fox). Chapter II.5 In R.T. Watson et al. (eds.) *Impacts, Adaptations and Mitigation of Climate Change: Scientific-Technical Analyses*, Cambridge University Press: 191-213. 1996.
- "Climate change in mountain regions: a marginal issue?" *The Environmentalist* 15(4): 272-280. 1995.
- "Patterns of the development of tourism in mountain communities". In N.J.R. Allan (ed.) *Mountains at Risk: Current Issues in Environmental Studies*. Manohar, New Delhi: 199-219. 1995. Originally published as "Patterns of the development of tourism in mountain environments". *GeoJournal* 27(1): 87-96. 1992.
- "Biosphere reserves: a flexible framework for regional cooperation in an era of change". In D.L. Peterson and D.R. Johnson (eds.) *Human Ecology and Climate Change: People, Parks and Resources in the Far North*, Taylor and Francis: 261-277. 1995.
- "Man and the Biosphere (MAB) Project 6 in Europe and the former USSR". *Mountain Research and Development* 15(3): 267-282. 1995.
- "Should mountain communities be concerned about climate change?" In M. Beniston (ed.) *Mountain Environments in Changing Climates*. Routledge: 431-451. 1994.
- "Policies for the management of temperate mountain forests: a comparison from Switzerland and Colorado". *Journal of Business Administration* 20: 407-429, and in *Emerging Issues in Forest Policy* (P.N. Nemetz, ed.). University of British Columbia Press, Vancouver: 407-429. 1992.
- "Societal aspects of climate change: an introduction". *Society and Natural Resources* 4(4): 315-317. 1991.
- "An assessment of patterns of use and management of mountain forests in Colorado, U.S.A.: Implications for future policies". *Mountain Research and Development* 11(1): 57-64. 1991.
- "Humankind in the biosphere: the evolution of international interdisciplinary research". *Global Environmental Change: Human and Policy Dimensions* 1(1): 3-13. 1990.

- "Temperate mountain forests: common-pool resources with changing, multiple outputs for changing communities". *Natural Resources Journal* 30: 685-707. 1990.
- "Are mountain tourism and forestry inextricably linked?: a discussion with examples from the Swiss Alps". In J. Vining (ed.), *Social Science in Natural Resource Recreation Management*. Westview, Boulder: 201-218. 1990.
- "Environmental protection and monitoring". *Technology in Society* 11(1) (Special Issue on Global Impact of Commercial Remote Sensing Satellites): 113-125. 1989.
- "The development of legislation and policies for the forests of the Swiss Alps". *Land Use Policy* 5(3): 314-328. 1988.
- "Tourism and forestry in the Swiss Alps: Parasitism or symbiosis?" *Mountain Research and Development* 7(1): 1-12. 1987.
- "The analysis of vegetation change by remote sensing". *Progress in Physical Geography* 10(4): 473-491. 1986.
- "The social burden of weather and climate hazards" (with W.E. Riebsame, H.F. Diaz and T. Moses). *Bulletin of the American Meteorological Society* 67(11): 1378-1388. 1986.
- "Impacts of recreational activities on alpine vegetation in western North America". *Mountain Research and Development* 5(3): 263-277. 1985.

Books and journal issues

Single author

- "Mountains". [Colin Baxter Photography Ltd.](#), Grantown-on-Spey. 2002.
- "Mountain research in Europe: An overview of MAB research from the Pyrenees to Siberia". *Man and the Biosphere Series No. 14*, UNESCO/Parthenon, Paris/Carnforth. xxiv+ 230 pp. 1995.
- "Mountain forests as common-property resources: management policies and their outcomes in the Colorado Rockies and Swiss Alps". *ETH-Zürich Forstwissenschaftliche Beiträge*, Nr. 9. 241 pp. 1990. (revised version of Ph.D. dissertation, Department of Geography, University of Colorado at Boulder, 1988.)

Edited books and journal issues

- "Mountain Area Research and Management: Integrated Approaches" (editor). Earthscan, London. 2007.
- "Global Change in Mountain Regions". Sapiens Publishing, Duncow: xxxii + 343 pp. 2006.
- "The Mountains of Northern Europe: Conservation, Management, People and Nature" (with Thompson, D.B.A. and C.A. Galbraith). The Stationery Office, Edinburgh: xx + 396 pp. 2005.
- "Key issues for Mountain Areas" (with Jansky, L. and A.A. Iatsenia). United Nations University Press, Tokyo. 2004.
- "Environment and development in high mountain environments" (with D.C. Funnell). *Geographical Journal* 169(3): 183-277. 2003.
- "Forests in sustainable mountain development: A state-of-knowledge report for 2000" (with N. Butt). CAB International, Wallingford: xxxiii + 590 pp. 2000.
- "The role of forests in sustainable mountain development". *Mountain Research and Development* 20(2): 107-187. 2000.
- "Tourism and development in mountain regions" (with P. Godde and F. Zimmermann). CAB International, Wallingford: xiii + 357 pp. 2000.

- "Global change in the mountains" (with T.H. Mather and E.C. Robertson). Parthenon, London/New York. xxxi+217 pp. 1999.
- "Common-property resources in mountain areas". Mountain Research and Development 18(1): 1-106. 1998.
- "People and tourism in fragile environments". John Wiley and Sons, Chichester. xv+238 pp. 1996.
- "Mountain environments and geographic information systems" (with D.I. Heywood). Taylor and Francis, London. xiv+309 pp. 1994.
- "Biosphere Reserves on the crossroads of Central Europe" (with J. Jeník). Empora, Prague. 168 pp. 1994.
- "Global Climate Change: A social science perspective". Society and Natural Resources 4(4): 315-403. 1991.

Published reports

- "A review of the benefits and opportunities attributed to Scotland's landscapes of wild character" (with R. McMorran and A. McVittie). Commissioned Report 194, Scottish Natural Heritage, Inverness. 2006.
- "Conservation and sustainable development in mountain areas" (editor). IUCN-The World Conservation Union, Gland and Cambridge. 2004.
- "Mountain areas in Europe: Analysis of mountain areas in EU Member States, acceding and other European countries" (editor). Report 2004: 1, Nordregio, Stockholm. 2004.
- "Biosphere reserves: The opportunities and potential benefits to people living in and around them" (editor). Department for the Environment, Food and Rural Affairs, Bristol. 2004.
- "Developing sustainable economies: Biosphere reserves in the UK" (editor). North Devon Coast and Countryside Service, Bideford. 2002.
- "Scotland's mountains: Key issues for their future management" (with B.L. Dixon, C.R. Warren and A.R. Macpherson). Scottish Natural Heritage, Battleby. 2002.
- "A preliminary characterisation of the mountain areas of Europe" (with A. Copus). Euromontana, Brussels. 2002.
- "The Abisko Agenda: Research for Mountain Area Development" (report by Royal Swedish Academy of Sciences workshop). Ambio Special Report No. 11, 2002.
- "The future of Sites of Special Scientific Interest (SSSIs)" (report by Royal Society working group). The Royal Society, London, 2001.
- "Mountains of the world: Mountains, energy and transport" (editor, with T. Kohler, T. Wachs, and A. Zimmermann). Mountain Agenda, Bern, 2001.
- "EuroMAB 2000: Proceedings of the First Joint Meeting of EuroMAB National Committees and Biosphere Reserve Coordinators" (editor). DETR, Swindon. 2000.
- "Mountains of the world: Mountain forests and sustainable development" (editor, with T. Wachs and T. Kohler). Mountain Agenda, Bern. 2000.
- "Mountain people, forests and trees: Strategies for balancing local management and outside interests" (editor, with N. Butt). Mountain Forum, Franklin. 2000.
- "Cooperation in the European mountains 2: The Caucasus" (editor). IUCN European Programme Environmental Research Series 13, Gland and Cambridge. 2000.
- "Mountain regions east and south of the Adriatic Sea" (editor). SAB-Verlag, Brugg. 2000.
- "Cooperation in the European mountains 1: The Alps". IUCN European Programme Environmental Research Series 12, Gland and Cambridge. 1999.

- "Review of UK Biosphere Reserves" (with F. MacDonald and I. Nuttall). Report to Department of Environment, Transport and the Regions. Environmental Change Unit, University of Oxford. 1999.
- "Chapter 13 in Action 1992-97 - A Task Manager's Report". Food and Agriculture Organization of the United Nations, Rome. 1999.
- "Mountains of the world: Tourism and sustainable mountain development" (editor, with T. Wachs and E. Byers). Mountain Agenda, Bern. 1999.
- "Mountains of the world: Challenges for the 21st century" (editor, with A. Bisaz, F. Escher, M. Grosjean, J.D. Ives and B. Messerli). Mountain Agenda, Bern. 1997.
- "The mountains of Central and Eastern Europe". IUCN European Programme Environmental Research Series 9, Gland and Cambridge. 1995.
- "Options for EC-level research activities on the human dimensions of global change (HDGC)". Report to Directorate-General XII, European Commission, Brussels. 1994.
- "Summary of discussion sessions" (with M.H. Glantz) In M.H. Glantz (ed.) The Role of Regional Organizations in the Context of Climate Change. NATO ASI Series on Global Environmental Change 14, Springer Verlag, Heidelberg: 33-54. 1994.
- "Report of the International Social Science Council Scientific Symposium on the Human Dimensions of Global Environmental Change". Occasional Paper No. 1, International Social Science Council/Unesco, Paris. 1991.
- "A framework for research on the human dimensions of global environmental change" (with H.K. Jacobson). ISSC/Unesco Series No. 3, International Social Science Council, Paris. 1990.
- "On assessing winners and losers in the context of global warming". (with M.H. Glantz and M.E. Krenz). Workshop report, National Center for Atmospheric Research, Boulder, Colorado. 1990.
- "The human aspects of global change". Report to the Climate Dynamics Program, National Science Foundation, National Center for Atmospheric Research, Boulder, Colorado. 1990.

Book chapters

- "Sustainable mountain development" (with T. Kohler) In Byers, A.C, Friend, D.A. and Price, L.W. (eds.) Mountains: A Physical and Human Geography. University of California Press, Berkeley: in press.
- "Introduction" (with A.C. Byers and L.W. Price) In Byers, A.C, Friend, D.A. and Price, L.W. (eds.) Mountains: A Physical and Human Geography. University of California Press, Berkeley: in press.
- "Integrated approaches to research and management in mountain areas: An introduction" In Price, M.F. (ed) Mountain Area Research and Management: Integrated Approaches, Earthscan, London: in press.
- "Introduction: Sustainable mountain development from Rio to Bishkek and beyond" In Price, M.F., Jansky, L. and A.A. Iatsenia (eds.) Key issues for Mountain Areas. United Nations University Press, Tokyo: 1-17. 2004.
- "The World Network of Biosphere Reserves: a flexible structure for understanding and responding to global change". In Visconti, G., Beniston, M., Iannorelli, E.D. and D. Barba (eds.) Global Change and Protected Areas. Kluwer Academic, Dordrecht: 403-411. 2001.
- "Developing a map of the world's mountain forests" (with V. Kapos, J. Rhind, M. Edwards, and C. Ravilious) In M.F. Price and N. Butt (eds.) Forests in sustainable mountain development: A state-of-knowledge report for 2000. CAB International, Wallingford: 4-9. 2000.
- "Tourism and development in mountain regions: Moving forward into the new millennium" (with P. Godde and F. Zimmermann) In P. Godde, M.F.

- Price and F. Zimmermann (eds.) *Tourism and development in mountain regions*. CAB International, Wallingford: 1-25. 2000.
- "Forests in sustainable mountain development". In K. Sassa (ed.) *Environmental Forest Science*, Kluwer Scientific, Dordrecht: 39-49. 1998.
 - "Tourism and amenity migration". (with L.A.G. Moss and P.W. Williams) In B. Messerli and J.D. Ives (eds.) *Mountains of the World: A Global Priority*, Parthenon, Carnforth: 249-280. 1997. Republished in Russian (Noosphere, Moscow) and French (Glenat, Grenoble), 1999 and Italian (Tarara, Verbania), 2000.
 - "Climate change" (with R.G. Barry) In B. Messerli and J.D. Ives (eds.) *Mountains of the World: A Global Priority*, Parthenon, Carnforth: 409-445. 1997. Republished in Russian (Noosphere, Moscow) and French (Glenat, Grenoble), 1999 and Italian (Tarara, Verbania), 2000.
 - "Fragile environments, fragile communities?: An introduction" (with D. Harrison) In M.F. Price (ed.) *People and tourism in fragile environments*, John Wiley and Sons, Chichester: 1-18. 1996.
 - "Climate change and mountain ecosystems" (with J.R. Haslett). In N.J.R. Allan (ed.) *Mountains at Risk: Current Issues in Environmental Studies*. Manohar, New Delhi: 73-97. 1995.
 - "Els conflictes de gestió i els problemes ambientals". In *Tundra i Insularitat, Biosfera, Volume 9, Enciclopedia Catalana, Barcelona: 293-306*. 1995.
 - "Mountain regions and geographic information systems: an overview". (with D.I. Heywood and J.R. Petch) In M.F. Price and D.I. Heywood (eds.) *Mountain Environments and Geographic Information Systems*. Taylor and Francis: 1-23. 1994. Republished with minor revisions as "Mountain regions and geographic information systems: a review" In K. Schneider (ed.) *GIS and Mountain Environments, Explorations in Geographic Information Systems Technology 5*, United Nations Institute for Training and Research, Geneva: 1-22. 1994.
 - "Tourism and forestry in the Swiss Alps: two centuries of interdependent evolution". In T.V. Singh, V.L. Smith, M. Fish and L.K. Richter (eds.), *Tourism Environment: Nature Culture Economy*. Inter-India Publications, New Delhi: 59-75. 1991.
